# Machine VPK-400/1

## Technical data/technical description

|                   |                       |
|-------------------|-----------------------|
| Power supply      | 380V AC               |
| Power consumption | 5000W                 |
| Number of strokes | 3000 strokes/min      |
| Weight            | 480kg                 |
| Saw               | 200-400mm             |
| Angle saws        | 45°-90°               |
| Cooling           | water                 |
| Water flow        | 0,9 m³/h              |
| Dimension         | 4200×1040×1750        |
|                   | price - <b>7000\$</b> |
